Now that we've finished, we've only begun.

Our old life has taught us
To live a new one.

Each new day is unexplored
And to experience it
We use days past
To shape and complete

And we weave our memories
Into a loom of ideas
Getting threads a little tangled
But the tangle gives it strength

We have paused now in our journey
And we see the sun clearly
Through the tangle of branches
That border all our lives

ACADEMICS

ALICE CLARK MEMORIAL PROGRAM

This year marked the fourth in a series of annual programs honoring the memory of Mrs. Alice Clark, a former member of the Board of Education who died of cancer. Her husband, Lincoln Clark of Old Greenwich, established a fund to give Greenwich High School students opportunities to have learning experiences with guests whose expertise in special fields can supplement the broad perspectives that are presented to students in the classroom. Guests during the past years have included Shana Alexander, Judge Margaret Driscoll, and Toby Moffatt.

In the above picture, students and faculty members are planning this year's program, which was entitled BEING PEOPLE TOGETHER — both the title and the theme of this year's program. BEING PEOPLE TOGETHER has been designed around the goals of giving each of those involved insight into the means of strengthening the self-image in a constructive manner, and of developing the communication skills for creative and authentic relationships with others.

Harry "Pop" Folsom was born in 1872. He attended Tufts College and Harvard. After many years of being a teacher in Maine, "Pop" decided to come to Manchester, Ct. From there he moved to Danbury before moving to Greenwich. When he arrived in Greenwich he became Principal for the next twenty-five years.

There were incomparable influences in "Pop" Folsom's school. At times he read poetry and there was always spontaneous humor which tempered his talks and readings. One message which is still remembered after his death, "Take a long walk, read a good book and make a new friend."

Mr. Frank K. Sheldon was a member of the Board of Education in Greenwich for 18 years. He graduated from Yale University in 1929 with membership in various honor societies and having represented Yale in intercollegiate track competition in the United States and Europe as a hurdler. He was very active in community affairs, as well as practicing his theory that the school board, administrative staff, teachers, and parents must be really interested in each other's problems in order to obtain effective education. It was not uncommon to see "Frank" visiting classes during the school year.

It was his sponsorship which started the Greenwich Public Schools Bulletin.

Research into this area has provided valuable insight into the workings of our political system. Through competition against other schools, students developed a manner of rational, logical thought, and the ability to respond spontaneously when under verbal attack.

"Arcsinh!" she gasped.
"Ho, ho." he said. "What a symetric little asymptor you have. I can see that your angles have lots of secs."
"Oh, sir." she protested, "Keep away me I haven't got my brackets on!"
"Calm yourself, my dear," said our suave operator, "Your fears are purely imaginary."
"I, I", she thought, "Perhaps he's not normal but homologous?"
"What order are you?" the brute demanded.
"Seventeen.", replied Polly.
Curly Pi leered, "I suppose you've never been operated on?"
"Of course not," Polly replied quite properly, "I'm absolutely convergent."
"Come come", said Curly "let us off to a decimal place I know and I'll take you to the limit."
"Never!" Gasped Polly.
"Abscissa!" He swore, using the vilest oath he knew. But luckily the math team, having read the wrong sin, along, their trip to Aleph 3, showed up in the nick of time and inverted and integrated Curly Pi, leaving him a helpless Algebraic.

Having the rare combination of a great offense and defense, this year's G.H.S. football team went a long way. After a last-secon win over Brien McMahon to win the Western Division title, the Cardinals went on not only to finish as undefeated champions of the F.C.I.A.C., but also #2 in the state. Under the fine leadership of Coach Mike Ornato and Captain Lou Orlando, each team member shared in the agony and the ecstasy of this undefeated championship season. We all learned a lot, including the value of hard work.

Pride, determination, and discipline: these three characteristics are necessary to play field hockey for Greenwich High. Daily practice from 9:00 to 12:00 whipped the girls into shape long before school opened.

Despite all their diligent efforts, the girls did not gain a victory until their third game. Nonetheless, the girls had a victorious season, qualifying for the State Tournament.

Senior Captains Beth Long and Nancy Duke, as well as other seniors Sue Michaud, Roxanne MacDonald, Mary Leverich, Kathy Dana, Annabelle Gregg, Siobhan Kerrigan, and Dorrie Dale, provided great leadership throughout the season.

Their losses at the beginning of the season could not diminish what the team had achieved during the entire season. Mrs. Walko was an outstanding coach, and along with the players, made it a fun season of hard work and great rewards.

This has been the most productive season in the history of GHS soccer. The Cards tallied an 11–2–0 record for the regular season, which far surpassed any previous season for the booters. For the first time, Greenwich topped the highly competitive FCIAC Western Division.

The powerful attack was composed of Tim Stevens, co-captain Frank "Schmiglo" Micalizzi, Brian "Snowbunny" Sutton, and Mark "Hotdog" Shakespeare. The midfield strikers were co-captain Tom "T.D." Doyle, Geoff "Loco" Wilson, Dan "the Man" Ure, Elbert "Egghead" Gates, and utility man Alan "the Hacker" Lovejoy. The defensive animals consisted of fullback leader John "don Juan" Caron, Tom "Beastie" Lohman, Clem "Mel" Williams, Bruce "Sticks" Henderson, Steve "Hands" Bretschger and Mike "Rockhead" Brown were the net watchmen for the season.

Prominent backup men included Lou Dorrance, Dave Elovich, Steve Emory, Hugh Enos, Scott Malkin, Terry McShane, Steve "the Nut" Nickerson, Everton Pert, John Rice, Bob Regis, Rob Richardson, and Tom Ryan. Special thanks go to shapely managers Diane Otis and Cathy Striech.

Head coach Dick Canfield and assistant Tom Sacco masterminded the fruitful season. The booters went as far as the state championships but were eliminated from competition in the first round. Everyone looks forward to another fine team next year.

1974 was a rebuilding year for GHS Cross-country. Despite the fine performances of Dirk Williams, the FCIAC champ, and sophomore sensation Randy Andrews, the team compiled a 7–8 record, only the third losing season in Cardinal Harrier history.

Over the course of the season, Williams set five course records, en route to a second place finish in the state class championships. He was later selected for the High School All-American Cross-Country Team. Andrews, the #2 runner and next year's co-captain, along with Ricky Margenot, will lead the team in its search for next years county title.

While the varsity had a sub-par season, the J.V. finished with a 10–5 record and the county championship. With the outstanding J.V. talent and seven returning lettermen (four of them will be only juniors next season), the Cards can expect to be at the top of the heap in years to come.

The Big Red Swim Team is back on top! After finishing second to Hamden in the state championships last year, bringing to an end the Cardinal string of state championships at four, the Redbird natators fought back to recapture the coveted Connecticut title. They did it in style, breaking seven school records enroute, establishing a new state mark in the 200 yd. medley relay and decisively routing the defending champions by 97 points in the LL championships and by 72 in the Open championships. The medley relay quartet of Brad Hittle, J.O. Zick, Bill Weihs and Stuart Whiteside not only stroked to a new state record with their 1:42.25, but also qualified for an All-American consideration. Of the 6 remaining records, co-captains Brad Hittle and Scott McConnell garnered two each — with Hittle going 2:03.07 in the Individual Medley and 55.81 in the backstroke and McConnell turning in a 1:49.55 for the 200 free and a 5:00.21 for the 500. Rob Canning proved himself to be the classiest diver in GHS history, and junior Stuart Whiteside became the school's fastest sprint freestyler, setting a new mark in the 100. However, as has been typical of the Big Red titles, this was a team effort — 17 Cardinal mermen, over twice as many as any other school, qualified for the state meets. While Greenwich captured the gold medal in only one of the eleven events, the team's depth and balance overwhelmed the rest of the state, as the Big Red swim tradition continues, bringing in 5 state championships in the last six years.

MEN — WOMEN

Wanted,
Volunteers.

Today's Army is an Army of volunteers. The many people who are in the Army are in it because it's a good place to be in.

Partly because of the benefits. A monthly starting salary of $344.10 (before deductions). With a raise to $383.40 in just four months. Plus free housing and meals, free medical and dental care, free job training, 30 days paid vacation a year.

Partly, too, because of the personal challenge. The discipline. The mental and physical demands. The early risings, hard days, and late nights.

In the Army, we don't have time clocks. And in the Army, you don't get paid overtime. Soldiering is a full-time job.

We don't require prior experience. But we do require high standards. And if you meet them, you're the kind of volunteer we want. The kind your Country needs.
